General Rules

- No student may graduate from an Egyptian university without successfully passing the Thanaweya Amma exams in Arabic Language and Religion.
- The American Diploma is valid for university enrolment for two years from completion.
- The Tanseeq Bureau only accepts applications of G12 students with a valid American Diploma **AND** successful Arabic & Religion Ministry exams obtained during the **SAME** year of application to university.
- Students who only complete their school requirements and/or minimum SAT required score **AFTER** the June Ministry testing periods will not be allowed to enroll at university the same year and can only apply during the following academic year.
- Grade 12 credits cannot be split on two years, therefore students who have not obtained all their required credits in Grade 12 will have to repeat the year.
- Students must successfully complete 8 subjects in accordance with each faculty's requirements. A subject will **NOT** be counted if it is less than One Full Credit.
- Out of the eight subjects required for university enrolment, a maximum of 3 may be supplied from Grade 11; a minimum of 5 from Grade 12.
